

## Armed Robbery Safety Awareness Online Course Description

**Cost:** The cost for this program is \$49 per person.

**Workforce pricing:** Contact us to discuss pricing for larger groups

**Course details:** We never want to think about something as awful as being caught up in a situation such as an armed robbery. But if you work in an industry that is vulnerable to such risks, preparation could help you to minimize the risks should you be exposed to danger of this nature. This course provides you with general information about how to best manage robbery related risks. By the end of this course, you will have a better understanding of how you can protect yourself and others around you, during a robbery related incident.

During this course, employees will learn about:

1. Become familiar with how to manage robbery related risks.
2. Learn to identify important aspects of safe behaviour during a robbery.
3. Learn to identify how victim injury and victim behaviour can be linked to each other.

Average completion time for this online course is 60 minutes.
