TCPTRAINING

Risk Management for Workers
Online Course Description

Cost: The cost for this program is $49 per person.

Workforce pricing: Contact us to discuss pricing for larger groups

Course details: Risk Management is one of the most important aspects of any business and having staff trained is a key step in the move to operating a safe workplace.

This course is designed to help workers to understand how they can contribute to risk management in the workplace and how they are responsible for minimizing that risk.

During this course, employees will learn about:

1. How to identify hazards and assess risk potential.

2. Why we need to manage work health and safety (WHS) risks in the workplace.

3. How to apply risk controls to avoid potential issues.

4. Why it is important to consult workers and how it can help a risk management strategy.

Average completion time for this online course is 60 minutes.

Key Facts:

- 100% Online Course – Complete your course quickly and easily online, no need to visit a classroom.
