

Working Safely with Hazardous Chemicals in the Workplace Online Course Description

Cost: The cost for this program is \$49 per person.

Workforce pricing: Contact us to discuss pricing for larger groups.

Course details: This course provides you with an understanding of what are classed as hazardous chemicals and how you can identify them. You will learn what they are used for in the workplace and what is needed to ensure they are used safely so as to avoid injury and illness in the work environment.

During this course, employees will learn about:

1. How hazardous chemicals can affect the body.
2. How to find relevant information on hazardous chemicals.
3. What can be done to control hazardous chemicals.
4. The rights and responsibilities of someone working with hazardous chemicals.

Average completion time for this online course is 40 minutes.

Key Facts:

- 100% Online Course – Complete your course quickly and easily online, no need to visit a classroom.
