TCPTRAINING

Confined Space Training
Online Course Description

Cost: The cost for this program is $49 per person.

Workforce pricing: Contact us to discuss pricing for larger groups

Course details: If you work, or are responsible for people who work, in confined spaces, this course is designed to give you the appropriate knowledge required for performing routine procedures such as entering and exiting confined spaces. Confined Space Training can benefit professionals from a range of industries, such as:

1. Trades
2. Oil and Gas.
3. Construction
4. Health and Safety

During this course, employees will learn about:

1. The names and functions of equipment, components and materials.
2. Statutory and regulatory authority requirements.
3. The type of work that can be conducted in confined spaces.
4. What processes should be in place for providing safe working practices and why.
5. All aspects of safety needed to facilitate working in confined spaces.

Average completion time for this online course is 60 minutes.

Students will receive a Certificate of Completion once the course has been finished. To receive the nationally recognized Unit of Competency, you need to complete the following:

- RIIWHS202D Enter and work in confined spaces; or
- MSAPMPER205C Enter confined space & MSAPMPER200C Work in accordance with an issued permit

Key Facts:

- 100% Online Course – Complete your course quickly and easily online, no need to visit a classroom.
- Same Day Certificate – Upon completion your certificate will be sent to you
- Learn at your own pace – We keep a record of how far you've progressed with your course, so you can complete it whenever you prefer.

Who is this course for?

- Managers who are responsible for staff members who work in confined spaces.
- Site supervisors who want to develop their knowledge of best practices for operating in confined spaces.
- Employees who need to upskill or be updated on changes in legislation and relevant Australian standards that need to be adhered to while working in confined spaces.
