

Traffic Controller Recertification - Course description

<p>Course details</p>	<p>The Traffic Controller (previously known as Blue Card) and Implement Traffic Control Plans (previously known as Yellow Card) are the two most common courses students complete to gain employment in the Traffic Management industry.</p> <p>Legislation requires refresher training every three (3) years.</p> <p>Re-certification has a minimum requirement that you hold a current Traffic Controller or Implement Traffic Control Plan cards. Photocards are only accepted if they are within 14 days of expiry.</p> <p>If you do not meet these requirements, you will need to do the full course.</p>								
<p>Program</p>	<p>Assessment day run every Wednesday in Homebush at Sydney Olympic Park. These can be booked out two weeks in advance, so we recommend you contact us as soon as possible to get booked in.</p> <p>Once enrolled into this program, you will receive an email with a learner workbook you must complete & bring to the day.</p> <p>Any additional forms or documents needed will be supplied on the assessment day. Each student must complete and gather the following evidence to support their practical assessment on the day which includes:</p> <ol style="list-style-type: none"> 1. Completion of Assessment Questions 2. Traffic Control Plans 3. Traffic / Road Occupancy Permits 4. Risk Assessments 5. SWMS - Safe Work Method Statements 6. Equipment checklists 7. Incident Reports 8. Third Party Reports 9. Self Evaluation Checklist 10. Final Practical Assessment

<i>Recertification</i>	\$200.00	\$275.00	\$400.00						
<p>Unit of Competency</p>	<p>Each of the courses have the following units of competency associated:</p> <p>Traffic Controller (previously known as Blue Card) = 3 units</p> <ul style="list-style-type: none"> • RIIWHS205D Control traffic with a stop/slow bat • RIIWHS201D Work safely and follow WHS policies and work procedures • RIICOM201D Communicate in the workplace <p>Implement Traffic Control Plan (previously known as Yellow Card) = 3 units</p> <ul style="list-style-type: none"> • RIIWHS302D Implement traffic management plan • RIIWHS201D Work safely and follow WHS policies and work procedures • RIICOM201D Communicate in the workplace <p>Combo course (both cards) = 4 units total</p> <ul style="list-style-type: none"> • RIIWHS205D Control traffic with a stop/slow bat • RIIWHS302D Implement traffic management plan • RIIWHS201D Work safely and follow WHS policies and work procedures 								

	<ul style="list-style-type: none"> RIICOM201D Communicate in the workplace
<u>Pre requisites</u>	<p>Re-certification has a minimum requirement that you hold a current Traffic Controller or Implement Traffic Control Plan cards (or related units of competency). Photocards are only accepted if they are within 14 days of expiry.</p> <p>It is important to note that this course requires a level of physical ability to complete practical assessments. If your health or fitness restricts you from performing various physical activities associated with this program, you will not be able to complete this course.</p> <p>Learners must have a working English level to have the best chance in completing their courses successfully. All applicants will be contacted & undertake a short questionnaire to assess eligibility.</p> <p>This course combines plain English, videos, photos, and questioning to ensure all learners have the best possible chance at comprehending the required knowledge and skills</p> <p>All students undertaking this course MUST have a White Card before attending the practical assessment. If you have not yet undertaken this White Card safety training, we deliver the course at all our training venues. You can see more information about this course on our website www.tcptraining.com</p> <p>Students are also required to provide a valid USI number to their trainer on the day. You can create one here if you do not yet have one www.usi.gov.au</p>
<u>Assessment completion</u>	<p>If successful on the assessment day & all required documents are provided, students will be issued with a Statement of Completion so that you may continue to work in the Traffic Management Industry. The Statement of Completion is valid for (90) days.</p> <p>Your application will then be lodged to RMS for the issuing of the licence(s). It takes up to 3 weeks for RMS to issue licences and you should allow for this time.</p>
<u>Certification</u>	<p>This training is delivered by Affirm Training with certificates issued by Affirm Training (RTO 90024)</p> <p>Students are also issued with a Statement of Attainment which is a nationally recognised certificate. One Statement of Attainment will be issued for each unit of competency which is successfully completed.</p>

Don't wait to book your training, call now on 02 9232 1010, [contact our team](mailto:contact@tcptraining.com) or book through our website www.tcptraining.com
