

Workplace Emergency Response - General Occupant Training Online Course Description

Cost: The cost for this program is \$49 per person.

Workforce pricing: Contact us to discuss pricing for larger groups.

Course details: This course has been designed to develop and reinforce an understanding of how general building occupants can prepare for and respond to emergency situations that might arise in the workplace.

The course is delivered through a series of interactive activities and videos and there are regular assessments as the course progresses to ensure that the student has thoroughly understood what has been presented to them at each stage of the course.

The course has been produced in line with Australian Standard 3745 - 2010 – Planning for emergencies in facilities.

During this course, employees will learn about:

1. How to identify and report emergencies and hazards.
2. How the emergency control organisation is structured.
3. The procedures for emergency response.
4. How to respond to emergency warnings.
5. How to prevent and prepare for possible emergencies

Average completion time for this online course is 60 minutes.

Key Facts:

- 100% Online Course – Complete your course quickly and easily online, no need to visit a classroom.
- Same Day Certificate – Upon completion your certificate will be sent to you
- Learn at your own pace – We keep a record of how far you've progressed with your course, so you can complete it whenever you prefer.

Who is this course for? This course is suitable for all general occupants of buildings.
