

Warden Training Online Course Description

Cost: The cost for this program is \$49 per person.

Workforce pricing: Contact us to discuss pricing for larger groups.

Course details: This course has been designed to cover all the areas of theoretical training that is required to execute the roles and responsibilities of Wardens and Floor or Area Wardens.

The course is delivered through a series of interactive activities and videos and there are regular assessments as the course progresses to ensure that the student has thoroughly understood what has been presented to them at each stage of the course.

The course has been produced in line with Australian Standard 3745 - 2010 – Planning for emergencies in facilities

During this course, employees will learn about:

1. How to identify and report emergencies and hazards.
2. How to behave during emergencies.
3. How the emergency control organisation is structured.
4. The procedures for emergency response.
5. How to respond to emergency warnings.
6. How to prevent and prepare for possible emergencies.
7. How to spot hazards and what to do to control them.

Average completion time for this online course is 120 minutes.

Key Facts:

- 100% Online Course – Complete your course quickly and easily online, no need to visit a classroom.
