

Work Health and Safety Fundamentals Online Course Description

Cost: The cost for this program is \$49 per person.

Workforce pricing: Contact us to discuss pricing for larger groups

Course details: Health and Safety in the workplace can be obvious to some and completely unknown to others. Ergonomics, safe storage of materials and manual lifting are all basics of workplace health and safety.

This course is designed to help people understand some of the issues that are faced in the workplace that can have an effect on the health and safety of workers. The content found in our Work Health and Safety Fundamentals course is endorsed by the Safety Institute of Australia.

During this course, employees will learn about:

1. What their responsibilities are regarding health and safety in the workplace.
2. The steps involved in the risk management process.
3. How their workplace environment can contribute to health and safety of workers.

Average completion time for this online course is 40 minutes.

Key Facts:

- 100% Online Course – Complete your course quickly and easily online, no need to visit a classroom.
- Same Day Certificate – Upon completion your certificate will be sent to you
- Learn at your own pace – We keep a record of how far you've progressed with your course, so you can complete it whenever you prefer.

Who is this course for? This course is suitable for all staff working in Australia. The content can be applied nationally.
